The graphic features a central black circle containing text. This is surrounded by several concentric circles of varying shades of gray. Scattered around these circles are various geometric shapes: small black dots, larger gray circles, and a black square. Some of these shapes are connected to the concentric circles by thin, curved lines, suggesting a network or orbital structure.

The background is a solid orange color. It features several abstract geometric shapes: a large, semi-transparent orange circle in the top-left corner; a smaller, semi-transparent orange circle in the bottom-left corner; and a semi-transparent orange rectangle in the bottom-right corner. The text 'Forward III' is centered horizontally and rendered in a bold, white, sans-serif font. The 'III' part of the text is represented by three vertical bars of equal height and width, colored in a light gray or off-white shade.
